Val Giamo

/ manifesto

As a visual artist and composer, I create conceptual wall art that celebrates simplicity and stillness.

Using materials like canvas, wood, fabric, paste and threads, I craft minimal compositions that focus on texture, form and quiet harmony.

Through deliberate balance and measured restraint, I strive to reveal the power of simplicity and the profound depth that silence can hold, creating a space where stillness speaks louder than words.

Val Giamo

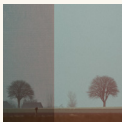

/ bio

Val Giamo is a visual artist and composer currently living in Gothenburg, Sweden.

Her music has been released by the label **Deutsche Grammophon / Universal Music Group, van Drumpt**, at the moment Val is working with a Berlin based label **LEITER**.

In 2024 Val graduated from the **Master of Photography Arts** program at the Institute of Visual Arts, the **Art Communication Course** at Art Communication School by Julia Sysalova Institute of Mediterranean Culture, **NFT Course** at the FRAME Society.

Val's artworks are part of private collections in Sweden, Greece, Bulgaria, and Germany.
